

Marblehead Supplementary Regulations

March 26, 2001	Service Liability	The Marblehead Retirement Board will not accept any liability pursuant to the M.G.L. c. 32, § 3(8)(c) for any service that is rendered in the Town of Marblehead, which did not entitle the employee to membership in the Marblehead Retirement System, unless the employee subsequently becomes a member of the Marblehead Retirement System and purchases said service while employed in the Town of Marblehead.
August 30, 2000	Recovery of Earnings In Excess of the Statutory limitations	Recovery of Earnings in Excess of the Statutory Limitations Set Forth in M.G.L. c. 32, § 91A: If a [disability retiree] of the Marblehead Retirement System whose earnings exceed the limitations set forth in M.G.L. c. 32, § 91A can demonstrate that a lump-sum payment of said over earnings to the System would result in financial hardship, the Board shall, in its sole discretion, develop a monthly payment schedule to address the member's financial needs, not to exceed six months. If the [disability retiree] elects to utilize said monthly payment schedule, the method of payment shall be by automatically withholding the predetermined amount from the member's monthly retirement allowance.
January 12, 1989	Membership	Group 1 employees must work the equivalent of 1,040 hours per year in order to become members of the system.
January 12, 1989	Creditable Service	Call firefighters shall receive one year of creditable service for each five years of actual service not to exceed a total of five years, provided that the call firefighter is later appointed a permanent member of the force.
January 12, 1989	Creditable Service	A member who is compensated on a full time basis shall be credited with one year of service for such year.
January 12, 1989	Creditable Service	If a member's or applicant's work is provisional, temporary, temporary provisional, temporary intermittent, seasonal or permanent intermittent, then the retirement board shall determine total hours for which said member or applicant was paid regular compensation in any specified year, divide said hours by the average of the actual hours worked during any period of three consecutive years of creditable service for which such rate of compensation was the highest, or on the average annual rate of regular compensation received by such member during the period or periods, whether consecutive or not constituting his three years of creditable service preceding retirement, and allow creditable service for a percentage in each year on the basis of said average.
January 12, 1989	Creditable Service	The percentage of credit which will be allowed for a partial year of service shall not be greater than the days actually worked, divided by 365, and said credit shall not exceed

Marblehead Supplementary Regulations

		one year.
January 12, 1989	Creditable Service	The number of years, months or days (assuming 365 days in a year) of creditable service to be used in computing the member's retirement allowance shall be taken as the sum of the amount of service credited for each of the years during which the individual was a member of the Retirement System.
December 14, 1984	Membership	All individuals who are to be classified in Group 1 and are not regularly employed on a 40 hour basis must work the equivalent of 1040 hours per year in order to become members of the system
December 14, 1984	Creditable Service	Call fire fighters shall receive one year of creditable service for each five years of actual service, provided the call fire fighter is later appointed a permanent member of the force.
